Enric Valor borned in 1911, at Castalla, Alicante. He was the son off an influent family. In 1930, at the age of nineteen he became a *journalist*. He was *writer* and *lexicographer*, too. He died in 2000.

Castalla

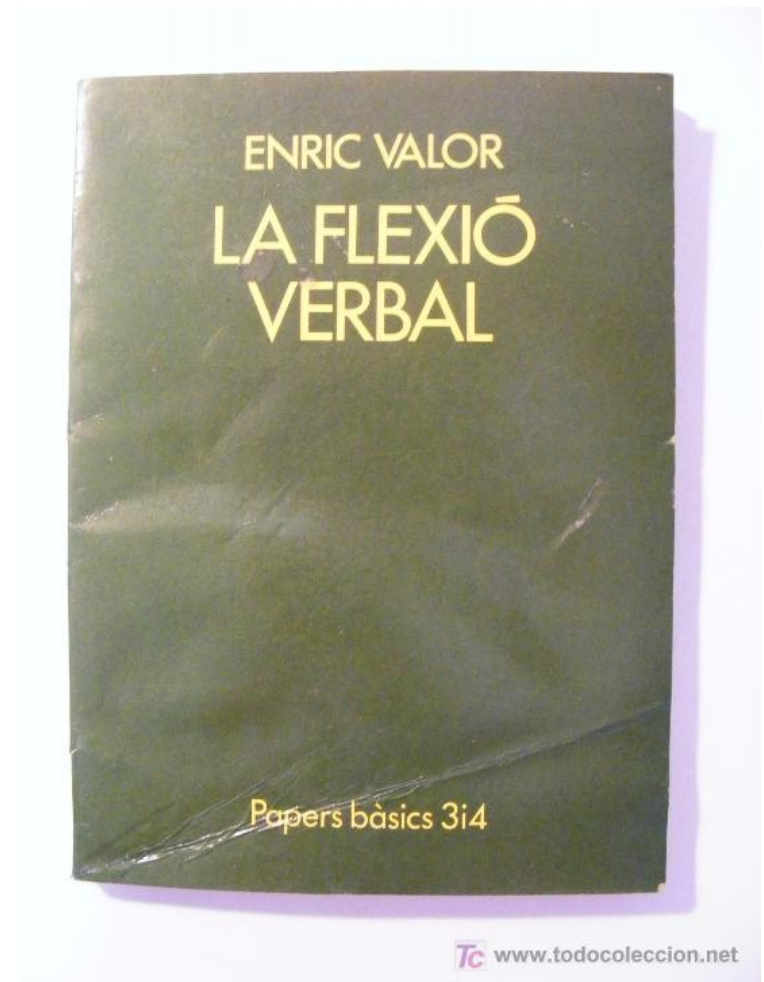

Linguistic works

Enric Valor was a very important person for valencian language. He was contributing to the development of the Catalan-Valencian-Balearic Dictionary.

Linguistic works

In 1983 he released *La flexió verbal* where he summarized the widely dialectised Valencian verbs. This work became the principal reference for the *normative use of verbs*, and is used as essential teaching material for Valencian pupils.

Linguistic works

Before that, there isn't any book about Valencian normative, because during a period of time Valencian language was forbidden. Because of that Enric Valor's work was very important for normalization of Valencian.

Literary works

He collected valencian popular tales in a book - "Rondalles Valencianes".

He was also a writer. He wrote several books, all in valencian.
